

Mary Parker 60th Birthday Picnic — Monday, June 22 — from 6pm to dusk

The picnic tables we will use are near the “Rock Garden” area on the hillside up from the bathhouse. They are not the large-group concrete tables to the west, but instead a group of three tables to the east under some trees, as marked by the X below (we will bring lots of folding chairs). Tacos, tea and juice, watermelon, and hippie snow cones (shaved ice with various healthy flavorings) will be available from 6pm on, reinforced by other contributions after 7.
